First Steps Day Nursery II is a 21-place nursery, situated in a quiet lane in the Vale, which ran as a Private School for 40 years prior to being established as a Day Nursery. It is run by a NNEB qualified Nursery Manager.

The building is divided into 3 rooms for Babies, Toddlers and Pre-School children, each one supervised by a qualified Nursery Officer.

The property has 3 enclosed gardens and a paved area with outdoor play equipment, also fully enclosed

Children aged three months to five years have the opportunity to participate in a variety of activities, which will encourage their all round development.

These activities include creative, constructive and manipulative play and develop social, pencil, language and literacy skills. We also have musical sessions using instruments and toys.

Weather permitting, outdoor play in the enclosed gardens is integrated into the daily schedules.

Children are required to bring with them a healthy packed lunch. A drink and biscuit will be provided mid morning.

The children should bring a bag with nappies, baby wipes, bib and a change of clothes. During the summer months, it is necessary for parents to provide a sun hat and sun blocker for their children.
